The yearbook is a thing that is supposed to be cherished in future years. One may ramble through it occasionally, recalling happenings and occurrences either pleasant or unpleasant. We, the annual staff, sincerely hope that this edition of the EDENTONIAN lives up to your highest expectations.

Because of his eagerness as our football coach, his sense of responsibility as a teacher, his easy going manner, and his ability to get along with everyone, the Class of 1965 dedicates this edition of the EDENTONIAN to

Coach Jerry McGee

Class History

We, the class of 1965, as players in the game of life, reached first base by completing Junior High. Our trips to Jamestown and Raleigh were full of excitement and mischief. The "firecrackers and apple cider" episode proved we did not quite know all the rules of the game.

To second base we ran the long stretch through our ninth, tenth, and eleventh grades. Guided by our president, Phil Harrell, we acquired a new perspective of what remained ahead. Our roles as players became more important to our rooters and opponents. In our freshman year we joined clubs, and eight boys represented us on the Varsity football team. We also gave the unforgettable Latin play with David Holton as the famed Nero. As sophomores we were proud to have four of "our boys" playing first string on the football team. Many of our classmates were basketball players, cheerleaders, and club officers. Our junior year tripped us and many stumbled. We could no longer loaf and keep the attitude that we knew everything. It was time to give our coaches due credit, for we could not end up winners without their guidance and understanding. Our sponsors gave us this essential for staying in the game without striking out. When we get on the right path, we made it a full and wonderful year with Phil Harrell again as president. We were thrilled to receive our class rings and were not hesitant in showing them off. Twenty-three of our juniors were tapped into the National Honor Society, and eight earned the role as marshals. The Hertford football game drew a tremendous crowd of spirited fans, and Edenton was justly proud as the Aces brought a 9-7 victory over the Indians. Let's forget the Plymouth game. We were honored to have two junior boys win All-Conference and two honorable mentions. We like to think our Junior-Senior prom, HAWAIIAN PARADISE, was one of the best ever given. We will always remember the "little grass shacks" and the "hula."

By the sacrifices of our teachers and parents, we advanced to third base. The opposition was stronger than at either first or second. Bigger projects such as the SPOTLIGHT, our school paper, were taken on and carried out successfully. College Boards were taken again, and college applications were mailed to colleges of our choice. We found it difficult to stay away from the guidance counselor, and we would like to make known our appreciation of her. The 1964 Aces had an excellent record of 11-0-1 and filled the trophy case with the Conference, District and Regional Championship trophies. We were happy to have two senior boys named All-Eastern and one, All-State. We cannot forget the hard work on the EDENTONIAN, and the leadership of our editor, George Wilkins, and our sponsor, Mrs. Bass. Getting pictures taken and retaken, and the last pages of the yearbook laid out made us realize the meaning of "deadline."

We have been preparing ourselves to go all the way "home." From here we will become either a splendid success or a dismal failure. We have made many mistakes during our high school years, but as a result of them we will try to win the score that life is ready to mark up against our names. We are leaving third base. We have completed our senior year and will tread the long run home until the umpire calls "safe."

The EDENTONIAN

Edenton, N. C.

Dear Sharlie:

Thank you for the photographs of the lovely contestants vying to be chosen "MISS EDENTONIAN".

When I agreed to act as judge, I didn't realize what a difficult task I had undertaken. It's not easy to pick one pretty girl above another!

However, after moments of delightful deliberation, I have made my decision and marked the appropriate photograph.

My congratulations to all who participated, and my thanks, again, for allowing me to play a part in your school activities.

Sincerely yours,
